Throughout the years FLIGHT  
has changed in many ways.  
This year's FLIGHT has been  
established through a new  
technique which will present  
an exciting appearance. The  
FLIGHT Staff has related this  
year's annual with the city.  
We feel that this theme will  
be exciting and different.

The city is filled with many  
types of people, each working  
for different reasons. It is  
like our school where the  
students are working toward  
bettering their future. We  
have grown up in this city;  
it is our home. It has given  
us an opportunity to realize  
and accept responsibilities  
that will benefit our lives.  
We present you FLIGHT, 1965.

...The City.

Thinking about the changes in our city and especially in our community of Westchester over the last twenty-five years brings to mind the transition of this area from open bean fields to a fine residential community with stores, schools, offices, and other facilities that contribute to the comfort and convenience of our existence. With this change have come the development of the International Airport into one of the largest and finest in the world, surrounded by many new high-rise hotels and office buildings, and a trend in the community toward building fewer single-family homes and more multiple units, many in the luxury class. To these changes has been the new Marina del Rey Yacht Harbor with its inevitable developments in business, industry, and housing. This has been an exciting time to have lived in this era; the future promises to be even more challenging. We hope that as individuals and as a school, we may continue to contribute to the development of this community's prominence and importance in the greater city of Los Angeles.

THE 1964 FOOTBALL SEASON WAS A TRULY GREAT ONE FOR WESTCHESTER HIGH. OUR MIGHTY COMET DEFENSE SET A CITY RECORD BY ALLOWING ONLY SIX POINTS TO ALL OPPONENTS IN WESTERN LEAGUE COMPETITION! AFTER DEFEATING THIS YEAR'S CITY CHAMPIONS, GARDENA, 33-32, IN ONE OF THE MOST THRILLING GAMES OF THE YEAR, WESTCHESTER REELED OFF FIVE STRAIGHT VICTORIES AND WAS RANKED HIGHLY AS ONE OF THE CITY'S BEST TEAMS. BUT THE COMETS MET A FIRED UP VENICE TEAM AND LOST A HEARTBREAKER, 6-2, AND THE LEAGUE CHAMPIONSHIP. OUR COMET TEAM FINISHED OUT THE YEAR BY CRUSHING HOLLYWOOD AND PALISADES, 32-0 AND 48-0 RESPECTIVELY. WESTCHESTER PLACED VANCE ADELMAN, FRED LUKE AND ANDY GERASIMOU ON THE FIRST TEAM ALL LEAGUE, AND BRIAN ASHLEY, LEONARD MOGNO, GREG MIMM TO THE 2ND TEAM ALL LEAGUE. VANCE ADELMAN RECEIVED THE HIGH HONOR OF MAKING 3RD TEAM ALL CITY. MUCH OF THE CREDIT FOR THIS YEAR'S SUCCESS GOES TO OUR FINE COACHES, MR. YOUNG AND MR. BRUBAKER, WHO HAVE BUILT WESTCHESTER INTO A POWERHOUSE OF THE WESTERN LEAGUE.

THE  
FALL  
1965  
ALL

Dear Kathy,  
I want to write something special for you. You see I feel the same way you do. I know we both screwed up our lives over people that weren't worth it. I'm older than you & should have known better but that's the way I am. Now that I am moving 2nd graduating I hope we can still keep in contact and be friends. May your senior year be as fun & exciting as mine was. You are very sweet and I love you.

Love Forever & ever

Lots of good luck to a sweet  
young lady who has far to go  
before she steps out into the  
cruel world. You really got the  
"clipped" in History. (Oh, that's sick)  
Have a bitchen summer & try not  
to rape any guys like last summer.  
Your friend + mine

My dear Mr. Garrison  
I have just received your  
kind letter of the 10th inst.  
and am glad to hear from  
you. I am well and hope  
these few lines will find  
you the same. I have not  
time to write you more  
fully at present but will  
do so when I have a chance.  
I am, dear Sir, very  
truly yours,  
Wm. Lloyd Garrison

## The Last Word

The sun has set; light has faded from the scene. Families have retired for the evening and will spend it in the quiet of the night. The beaches are bare and the waves rustle wisps of sand from their serene throne of mystery. For many, the blackness heralds Life's entrance; for others it is just the eventide.

FLIGHT '65 has now come to its close. It signifies a sunset to the high school career of the graduating Spartans and Meneleans, but, in essence, it is only the dawning of a far-reaching journey into the vast scopes of life. They will embark from Westchester High and each will command his own instrument of conveyance to the exploit he is bound for; Some will brake at a school of further learning while others will enter the rush of traffic only to find many stop signs on the way that decelerate the speed and make the long drive wearing and delayed. And, yet, others will find their home on a street in the city where the parking is abundant and the coming and going easy.

FLIGHT '65 has seen the city in its splendor; by and by, our fellow graduates will see it in reality, holding a massive future in store for them.

FLIGHT 1965

Carly,  
It has  
been just  
wonderful  
you keeping  
bookkeeping.  
I'll never  
even forget  
that terrible  
class.

I think we have  
to so many of each  
stories we could  
them. I wish  
that a book we  
you are such  
a darling girl,  
I hope we can  
get together  
during the summer.  
I'll take you  
for a boat ride  
some time for sure.  
I hope you  
can get together  
with some  
terrific  
summer, one  
I'll say so long  
now, but  
as friends.  
Love always,
